Leap Into Literacy - 1st Grade January

You need to read (or be read to) for **15 minutes each day for 6 days a week and do a project** in order to qualify for Leap Into Literacy. Your project is to be based on the book you liked the best this month. January's project is to make a puppet of one of the characters in your book. To make a puppet you need: an old sock, markers, scraps of fabric or felt, buttons, scissors, and glue. First, think about the design of your character. Then, use the fabric scraps, felt, and buttons to make a face on the puppet (remember that the open end of the sock will be the bottom). Finally, put your name and the character's name on the puppet. This form and the puppet project are **due by Monday, February 1st**. (Please remember to put your name on your puppet!)

Parents: please initial after each 15 minute session.
