Leap Into Literacy - 4th & 5th Grade January

You need to read for **30 minutes each day for 6 days a week** and do a **project** in order to qualify for Leap Into Literacy. Your project is to be based on the book you liked the best this month. January's project is to make a pennant. You can use felt, poster board, or paper. Design a pennant including the book's title and author's name. If your favorite book this month was fiction, write a paragraph describing the characters, setting, problem and solution on the back of your pennant. If your favorite book this month was nonfiction, write a paragraph telling the most interesting thing you learned from the book on the back of your pennant. This form and the pennant project are **due by Monday, February 1st**. (Please remember to put your name on your pennant!) Below is a sample of what a Laneview Leopard pennant might look like:

Parents: please initial after each 30 minute session.
