

Join Your Laneview School Parent Teacher Association Today!!

PTA lends a collective voice to children where they need to be heard; at home and school; in all our communities; and in our nation's capital. PTA is committed to the safety, well-being, and education of all children.

Becoming a PTA member means you're adding your voice to those working to make a difference in children's lives. In addition to our efforts at Laneview School, at a National level the PTA also strives to ensure:

- *everychild* has a parent/family member who is actively engaged in his or her life and education
- *everychild* has a safe place to be before and after school
- *everychild* has the opportunity to learn in a classroom that isn't overcrowded
- *everychild* is provided an equitable and excellent public school education
- *everychild* has equal access to computer literacy at school
- *everychild* is rest-assured that his or her school is safe and drug free

Becoming a PTA member at Laneview means you'll be providing Laneview's students and teachers a great way to cooperate in the education of our students, you'll be making new friends, and you'll be supporting school activities and enhancing your child's academic environment. What's not great about that?
