

# Leap Into Literacy

Welcome to Leap Into Literacy! Leap Into Literacy is our school-wide at-home monthly reading program. Our program will begin in October and end in April. Our goal for the Leap Into Literacy program is to encourage our students to read for fun and learning. We want our students to choose to read!

Students who participate will receive a monthly certificate and a monthly prize. Additionally, the students who read and participate in our end of the year Leap Into Literacy extravaganza.

To qualify for the monthly rewards, students must read 6 out of the 7 days in a week. These days and information about their favorite book for that month will be recorded on the monthly Leap Into Literacy form. Students must also make the monthly project that is described on the form based on his/her favorite book for that month. The project will be different every month. These are due back at the end of each month.

Please help your child to "leap into literacy" by joining us in this celebration of books. Also, please keep in mind that the purpose of our Leap Into Literacy reading program is to instill a love of reading in our children. We want them to choose to read!

Happy Reading!!!
