OUR MISSION STATEMENT

*The Berryessa Union School District provides all students the skills to become
Lifelong learners and successful 21st century global citizens.*

Principal's Message

Hello Laneview Families,

Welcome to the 2019-2020 school year. These first two weeks of school have gone by so quickly, and I cannot believe we are already beginning the month of September. Although I have only been here a short time, it has been a wonderful experience getting acquainted with the Laneview families and community. Seeing the smiling faces of families as they arrive at school, and the excitement of the students throughout the day, always brings a smile to my face. Everyone has been very welcoming, and I am feeling very lucky to be a part of this exceptional community.

At Laneview, our staff holds a high standard for education, and a commitment for providing the best instructional program for ALL of our students. The lessons they create for our students are both engaging and rigorous, and teach students content standards through the use of the 4 C's (Creativity, Collaboration, Critical thinking, and Communication).

As a staff, we strive at building and maintaining strong partnerships with our parents, families, and communities. There are many ways that you can become involved at our school. We invite you to join our PTA. You can attend our School Site Council meetings. Be a part of our ELAC meetings. Drop by our Pastries with the Principal events. Join us at one of our Laneview Family events. As always, we also welcome parent volunteers. One request we have is that you keep an open line of communication between home and school, so that we continue to work as partners to support your child's education. **TOGETHER, we can make a difference to each Laneview student.**

I look forward to continuing to work with you and your family this school year.

Sincerely,

Maricela Krickovic
Principal

Traffic and Safety

For safety reasons, **no parent parking in the staff parking lot.** Please follow the basic safety rules:

- Watch for children crossing the street
- Drive slowly and legally when near the school
- Do not leave your car unattended at any time
- Let your child know where you will meet him/her after school each day
- Do not drive in staff parking lot

Thank you for keeping our children safe!

Student Pick-Up Information

Please pick-up your child on time at dismissal. There is only 15 minutes of supervision after dismissal. Parents, please make appropriate plans for your child's safety. All schools in the Berryessa Union School District have a **minimum day every Thursday** to provide time for professional development and instructional planning. Sometimes the office staff has meetings after school and there will be no one to supervise your child. Also, if your child is required to cross the street when they are being dropped off or picked up, please make them use the crosswalk.

Parents, please be polite when driving near the school, no u-turns, no jaywalking and please do not yell profanities at our staff or volunteers.

Please Don't Arrive Late to School

Please teach your child the importance of punctuality and consideration for others by getting them to school on time every day. Late arriving students not only lose their own learning time, but also take the teacher's time from other students.

Laneview PTA

A HUGE THANK YOU to all Laneview families who have joined the PTA and made a donation! Your generous support is appreciated. There is still time to join and donate! PTA membership is just \$10. Anyone can join and participate in planning

activities. Also, PTA is asking for a donation of \$50 (or more) for each student. Instead of selling candy, magazines, or wrapping paper, PTA asking families to donate and money raised will go towards student assemblies, supplies, equipment, and other areas of need around Laneview.

Have you purchased your Laneview spiritwear yet? We have t-shirts, polo shirts, crewneck sweatshirts, hooded sweatshirts and zip hoodies in stock. Grab yours today! Other items like backpacks, shorts and sweats can be ordered on-line at

www.logosetcetera/laneview. Thursday is a great day to wear your spiritwear and show your Leopard pride!

Thursday, Sept 12 at 7pm is our first General PTA Meeting. **CHILDCARE WILL BE PROVIDED.** Please join us as we approve this year's budget and start planning for our Annual Harvest Festival and Haunted House!

Friday, Sept 27 will be our first MOVIE NIGHT! Doors will open at 5:30pm and the movie will start at 6pm. Pizza, nachos, popcorn, drinks and snacks will be sold. Hope to see you there!

School Site Council

School Site Council meets once a month to monitor the school plan, review and approve budgets and assist in developing the school plan.

Meetings are usually held on the second Thursday of each month at 6:00pm for School Site Council and 7:00 pm for PTA. The first meeting will be Thursday, September 12th in room 18.

Administration of Prescribed Medication for Students

This form may be obtained from the school office. Medication must be sent to the school office in the original pharmacy container, including the student's name and the doctor's instructions. **Do not** send medication to school in a lunch box or with your child as it may be hazardous to another student if ingested.

It is the policy of the Berryessa Union School District not to discriminate on the basis of sex, religion, race, national origin, or handicapping condition in its education programs and activities, or in the recruitment and employment of personnel.

Laneview Morning Procedures

The school playground is not open to students until the first bell. Students should arrive no earlier than 7:55am. Students, who arrive before the first bell, need to wait behind the designated lines. When the first bell rings at 7:58, 4th and 5th graders should walk to their classrooms. Students in kindergarten through 3rd grade may walk to the playground. There will be two teachers supervising the playground area when students are allowed on campus. We ask that after the first two weeks, parents and guardians, who bring students to school and choose to wait for their children to go to class, stay at the top of stairs in the designated area called “Laneview Observation Deck”, while the students walk down to the playground.

The Laneview staff is asking this for several reasons.

1. Safety – We have two teachers supervising the area. With numerous adults in the playground area, the teachers may not be able to see all of the students and any issues that arise. By only allowing teachers to supervise the playground, adults not associated with Laneview can be quickly identified.
2. Building Responsibility and Social Skills – The Laneview staff values the whole child. Not only do we focus on the academics, we also want to build social skills and promote positive character traits in our students. We want students to be able to independently go to their lines and be responsible for their belongings. We also want to encourage them to develop social skills by being with their peers before school.
3. Getting to Class Efficiently – When the bell rings, students on the playground will line up and walk to their classroom. Because we have several classes walking to their rooms, the staff requests that the stairways and top of the stairways remain clear so that students can get to their destination safely and efficiently.

After the bell has rung and students have entered their classrooms, we ask that all parents, guardians and caregivers exit the campus promptly unless you are going to the office for other campus business (signing in to volunteer, turning in paperwork, etc.).

The Laneview staff appreciates your cooperation in this matter. We strive to develop a positive partnership with all of you with the goal of helping our students achieve and succeed in all areas of their lives.

Be kind and considerate to our neighbors. Please, **do not park** in their driveway at any time when picking up or dropping off your child.
