

MEASURE K

We would like to thank everyone in the Berryessa Community for helping the passage of Measure K, (to extend Measure W), at the November 2012 election.

As part of our obligation to the community to be accountable for the funds we will get from Measure K, the Board of Trustees would like to invite you to apply for one of the vacant positions on the Oversight Committee. First formed in 2009, the Committee members were appointed for a three year term. The purpose of the Committee is to ensure that the Measure K funds are spent in accordance with the parameters set forth in the ballot language. In addition, the committee will be responsible for reviewing the impact that these programs have on our students, classrooms, schools and the district.

To be considered, interested parties need to complete the application form and submit it to the district. Information on the committee, committee responsibilities, and an application are available on our web site at: www.berryessa.k12.ca.us or from the Business Office at 1376 Piedmont Road, San Jose, CA.

Questions about the application and selection process, the application form, or the expectations of committee members may be submitted to the Business Services at msandoval@busd.net or by calling the Business Office at (408) 923-1860.
