The Walk 'n' Roll is a program of Laneview School and the Berryessa Union School District, in partnership with the City of San Jose, with the goal to get families walking, biking, and scooting to school more and to reduce traffic and pollution around our school. On Wednesday, October 10, 2018, we will be participating in the International Walk to School Day.

For those who normally drive, park your cars near one of the meeting points. Meet us at one of two locations:

Capewood and Treewood - First starts at 7:35, leaves at 7:45am.

(2 shifts) - Second starts at 7:50, leaves at 8:00am.

Warmwood and Drywood - First starts at 7:35, leaves at 7:45am.

(2 shifts) - Second starts at 7:50, leaves at 8:00am.

We need a few volunteers to help pass out pencils near the entrances of the school to all those students who walk or roll to school that day. If you can help, please fill out the form below.

Walking to school does so much for our community, including reducing traffic, congestion and pollution while teaching our children healthy, active living, valuable safety practices and community awareness.

We encourage EVERYONE to Walk "n" Roll on October 10th.

Please return to the office or your child's classroom teacher by October 8th.
