

We need adult Safety Patrol volunteers to help keep all of our students safe! We need 4 parents each morning and afternoon to assist the student Safety Patrol team. You will be trained. Commit to certain days of the week or only morning or afternoon - we appreciate any time you can spare! You will be asked to insure the safety of our students crossing the street & direct Our Safety Patrol students at the corner if we are able to continue the program.

If you have any questions, please contact Mrs. Krickovic at mkrickovic@busd.net
